

Mirror - Ergon RM Touring

SKU

3010004954

A small accessory can provide a significant sense of safety

With the RM Touring bike mirror from Ergon, you can keep a full view of the traffic behind you. With its swivel joint, it can be adjusted three-dimensionally to all angles, so that you always have a good view of everything. The simple, tool-free mounting at the end of the handlebars allows you to mount this mirror on any bicycle.
