ABUS Chain compatible with ABUS Frame Lock to double your e-bike protection!

The Frame Lock Chain from ABUS makes it particularly easy to make your bicycle twice as secure: simply place the chain around a fixed object, pull the end with the lock through the ring on the chain and attach it to the lock housing. You will not need another key, nor will you need to lock the shackle separately.

Technology

6 mm square chain made of hardened steel

No separate closing of the shackle necessary

Opens up a lot of opportunities for locking the bicycle on to a fixed object

Adaptable to all versions of 4960, 5850 and 5650
