Pedals - TAG T3 Nylon

SKU	3010003879
EAN	5608554012316

Lightweight and durable.

T3 Nylon Pedals are made from a strong and lightweight thermoplastic Nylon and have 40x replaceable 3mm pins to keep your foot in place on the 110X100mm platform when you stomp a landing or plough through a rock garden.

Internally, the T3 Pedals have a DU bushings and sealed cartridge bearing paired with a CNC machined Cro-Mo axle and access is easy for servicing and maintenance.
