Frame Lock - AXA Imenso Large

SKU	3010000549

AXA Imenso Large

The AXA Imenso is a high quality frame lock with an innovative design and the option to link a ULC plug-in chain to the lock so you can lock your bike to a fixed object.

The Imenso ring lock offers optimal safety with its anti-drilling cylinder and hardened steel bracket. The ergonomic design of the push button offers you maximum comfort. If it happens that you lose your bicycle key, that is no problem. An extra key can be ordered via the AXA online key service and will be delivered within a few days.

The Imenso Large has an extra wide opening of 75 mm so that it also fits wide fenders or balloon tires. This ring lock has the color black.

Compatible with the models: E800, E850 and E900 Crossover
