GA3

With the GA3, the winged grip has truly arrived in the cycling world. The special thing about the GA3 is he locks on tight with a lightweight inner clamp. The concept combines all the relief benefits of the wing and actively supports your wrist. This grip is compatible with the Beeq models B400, C500, C800, E900, M500, M700, M850 and S950.
