

Frame Lock - AXA Atlas Large

SKU

3010005156

AXA Atlas Large

The AXA Block Large is a high quality frame lock and has the option to link the ULC plug in chain to the lock so you can lock your bike to a fixed object.

The ring lock offers optimal safety with its anti drilling cylinder and hardened steel bracket. The ergonomic design of the push button and the online key service offer you maximum comfort.

Compatible with the models: C800, B400 (sizes M & L).
