Kids Bike Seat - Bobike Go Maxi AVS+

SKU	3010005319

Turn daily commutes and weekend rides into memorable family moments. The **Bobike Go Maxi AVS+ child seat** is designed for active families who rely on their **Beeq electric bike** for daily transport and leisure.

Featuring the integrated **AVS+ (AtranVelo System +)**, mounting the seat onto your Beeq e-bike's rear rack is seamless, tool-free, and secure. Built with a double-walled safety shell and expanded lateral body protection, it offers maximum impact resistance. The easily adjustable footrests and harness ensure your child rides comfortably as you smoothly glide through the city. Compatible with the Beeq SUV models.

Key Features:

Beeq SUV E-Bikes Ready: Native AVS+ integration for quick click-and-go mounting.
Enhanced Safety: Double-walled protective shell and integrated rear reflector.
Ergonomic & Adjustable: Tool-free footrest and harness adjustments grow with your child.
Capacity: Suitable for children weighing up to 22 kg (approx. 9 months to 6 years).

Safety

DOUBLE-WALLED DESIGN – Bobike Exclusive Feature – 2 sturdy walls keep your baby extra safe.
Expanded lateral protection.
Integrated and increased head protection.
Childproof safety buckle.
Extra security frame belt.
Large foot guard, preventing contact with the wheel.
Rear reflective decal – increased visibility in poor light conditions.
