Kickstand - Ursus KCST RT92 (M850 ATB)

SKU	3010004658

Ursus RT92 Easy Master

The **Ursus Easy Master rear kickstand (RT92)** is engineered to provide steady, secure, and long-lasting support when parking your bicycle on any terrain.

Crafted from heavy-duty aluminum to comfortably support heavier loads, this kickstand offers tool-free length adjustment to achieve the perfect parking angle. Its wide non-slip plastic foot delivers extra grip on loose or smooth ground, while the direct horizontal chainstay mounting ensures a clean and sturdy fit.

Key Features:

Compatibility: Compatible with the **Beeq M850 Full Suspension ATB** e-bike.
Aluminum Construction: Durable, corrosion-resistant build designed to handle heavy bikes.
Adjustable Length: Easy tool-free length adjustment for custom ground stability.
Non-Slip Foot: Wide plastic base prevents sinking and slipping on soft surfaces.
Rear Frame Mounting: Fits directly onto horizontal rear chainstays.
